Get rid of Indigestion and Stomach Worries with "Pape's Diapepsin"

"Really does" put weak, disordered stomachs in order—"really does" over-come indigestion, dyspepsia, gas, heartburn and sourness due to acid fer-mentation—that — just that — makes Pape's Diapepsin the largest selling stomach antacid and regulator in the world. If what you eat ferments and turns sour, you belch gas and eruc-tate undigested food or water; head is turns sour, you ded or water; head is disay and aches; breath foul; tongue coated, remember the moment "Pape's Diapepain" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness. A box of Pape's Diapepain tablets costs so little at drug stores too.

DISCUSED IN REPORT

The placing out of dependent and neglected children in Connecticut is considered in detail by the child welfare commission in the second volume of its report distributed in part Tuesday. Studies of the present system of organization in this state, the previous history of the children concerned and their present circumstances in foster figures are set forth. The commission has confined its attention in this section to a description of existing conditions leaving the question of cristing conditions leaving the question of proposed statutory changes as it stands in the first volume of the report published in January. Smith was brought up.
Considerable discussion was indulted it over the condition of town goads. A petition, signed by Mrs. Addle Smith and 29 others, to take over this piece of road was not accepted but the selectmen were anthorized to repair the road.

Studed Up Head Will Go.

If you want to get safe relief from catarrh, cold in the head or from an irrimting cough in the shortest time, breathe Hyomei.

It will clean out your head in two minutes and allow you to breathe freely, awake or asleep, or money refunded.

Hyomel should end a cold in one day, and relieve you of disgusting snuffles, flawking, spitting and offensive breath in a week.

Hyomel is made chiefly from eucallyptus, a soothing, healing, germkilling antiseptic, that comes from the eucallyptus forests of inland Australia, where catarrh, asthma and other bronchial troubles are seldem known.

Hyomel is pleasant and easy to breathe. Just pour a few drops into the Hard Rubber inhaler, use as directed and relief is almost certain.
